1. Love the Bi-ble, bless-èd book of heav'n-ly truth, Words of beau-ty shin-ing,
2. Know the Bi-ble, read its pag-es o'er and o'er, Ga-thering trea-sure sur-est,
3. Live the Bi-ble, in the life its pre-cepts show, Hum-bly pray-ing ev-er,

love and du-ty twin-ing; Bear it dai-ly in the ten-der heart of youth,
find-ing plea-sure pur-est, Of His power and mer-cy learn-ing more and more—
work de-lay-ing ne-ver; Thus in life and death thy trust-ing heart shall know

Ev-ery thought and word re-fin-ing.
Thus true wis-dom thou se-cur-est. This is the power of God un-to life,
Peace, sweet peace, that none can se-ver.

Wis-dom's sac-red pre-cepts for the way; Sword of Spir-it, giv-ing vic-tory in the strife—

God's own book, the bless-èd Bi-ble.
