1. Though we may not know the moment when our blessed Lord shall come To receive us to mansions "over there," Yet we know 'twill not be long before He longs for that morning bright and fair! When the days of our sojourn ing and our sorrows of Christ Himself to share; We remember He has promised to be

takes His loved ones home, And we're caught up to meet Him in the air. We'll be caught up to meet Him in the air. We'll be caught up His blessed-ness to share; Very soon He will come To the ambient air for ever-more to share; we'll be

take His people home Caught up to meet Him in the air.
