

Blest, Blest Forever

Frances Jane (Fanny) Crosby, 1892

John Robson Sweney

♩=115

1. On-ly a lit-tle while, sow-ing and reap-ing, On-ly a lit-tle while,
2. On-ly a lit-tle while, heart-break and sor-row, Dark though the night may be,
3. On-ly a lit-tle while, sha-dow and sad-ness, Then in e-ter-ni-ty

our vi-gil keep-ing; Then we shall ga-ther home, no more to sev-er,
cloud-less the mor-row; On-ly a lit-tle while, Earth ties to sev-er,
sun-shine and glad-ness; On-ly a lit-tle while, then o'er the riv-er,

Refrain
Clasped in e-ter-nal love, blest, blest for-ev-er.
Then in our Fa-ther land, blest, blest for-ev-er. Blest, blest for-ev-er, No
Home, rest and vic-tor palm, life, joy for-ev-er.

more to sev-er, Clasped in e-ter-nal love, Blest, blest for-ev-er.
