1. When the clouds are hang - ing low, Shine, shine; And you know not where to go,
2. When the world its pow - ers wield, Shine, shine; Je - sus Christ will be your shield,
3. When your sins are washed a - way, Shine, shine; He'll go with you ev - ery day,
4. When your path is black as night, Shine, shine; Soon He'll bring you to the light,

Shine for Je - sus; Take your bur - den to the Lord, You can take Him at His word,
Shine for Je - sus; Seek the Mas - ter on your knees, He's a - bove you, and He sees,
Shine for Je - sus; You are ne - ver - more a - lone, Je - sus Christ is all your own,
Shine for Je - sus; Though the way be hard and long, Ne - ver change from right to wrong,

Refrain

Sing and pray ev - ery day, Shine, shine, shine!
Sing and pray ev - ery day, Shine, shine, shine! Shine when trou - bles shake you, Shine when friends for - sake you,
Sing and pray ev - ery day, Shine, shine, shine!
Sing and pray ev - ery day, Shine, shine, shine!

All the way, ev - ery day, There's a crown a - wait - ing; Shine when foes as - sail you,

Shine when o - thers fail you, Keep your eyes on Je - sus, And shine, shine, shine.
