1. When clouds hang low, and dark thy path, Then trust and know they'll  
2. With grace bear wrong, that Christ may reign; Then lift a song, shine  
3. Then God be praised, your "faith made sight," The ban - ner raised, "God's

lift at last; What - e'er the load, then look to God, Though long the road, e'er  
in His Name; Then shine for Him who died for you; The vic - tory win, He'll  
love and light"; And from the heart will come the song, That God made right to

## Refrain

on - ward plod.  
see you through. Shine through the sun - shine, Shine through the rain;  
come from wrong.

Shine through the sha-dows, Shine through your pain; Shine in the dark-ness, The vic-to-ry gain;

Shine in your tri-als, Shine in His name.
