1. Sav-ior, take my hand in Thine, Take my hand, oh, take my hand; For
2. Sav-ior, hold my hand in Thine, Hold my hand, oh, hold my hand; For
3. Sav-ior, keep my hand in Thine, Keep my hand, oh, keep my hand; Then

thor-ny is the way and drear, O'er which my wear-y feet have come; Nor
by the temp-ter would I fail, Shouldst Thou with-draw Thy hand from me; The
I shall safe - ly pass the way, Though dark and drear-y it may be, Un-

do I see my path - way clear, The path that I would fol - low home.
dan-gers great ap - pall my soul; I cling, I cling and hold to Thee.
- til I reach that bless - èd day When I shall rest in Heav'n with Thee.

Refrain

Sav-ior, take my hand, oh, take my hand, Hear my plea, O Lord, I pray; Sav-ior,
take my hand, oh, take my hand, In-to Thine, O Lord, to - day.
