When in ma - jes - ty de - scend - ing, Thou shalt come in might - y power;  
For the cloud that bore Thee up - ward, And will bring Thee back a - gain.  
With our dear ones o'er the riv - er, Where we nev - er - more shall part;

Then the sha - dows will be lift - ed, And the dark - ness rolled a - way,  
Then, a - mong Thy ran - somed peo - ple, We shall tread the shin - ing way,  
Then our sor - rows, in a mo - ment, Like a dream will pass a - way,

And our eyes be - hold the splen - dor Of the glor - ious crown - ing day.  
And our eyes be - hold the splen - dor Of the glor - ious crown - ing day.  
When our eyes be - hold the splen - dor Of the glor - ious crown - ing day.
