♩=150

1. If thro' the sha - dows my path-way should lead, He will not leave me a - lone,
2. When I am wea - ry with la - bor and care, He will not leave me a - lone;
3. Sa - tan may tempt me to turn from the way, He will not leave me a - lone;
4. So I will trust Him wher - ev - er I go, He will not leave me a - lone;

For I have found in my heart's deep - est need, He will not leave me a - lone.
He will stand by me my bur - den to share, He will not leave me a - lone.
But His rich grace will sus - tain me each day, He will not leave me a - lone.
He is my Friend, and this one thing I know, He will not leave me a - lone.
