George Frederick Handel & Lowell Mason

1. Je-sus, the Light of Beth-le-hem Is shin-ing to us all! So crys-tal clear, it’s ev - er dear, And makes the dark - ness fall, And makes the dark - ness fall, And throws the dark - ness to its fall!

2. Je-sus was born in Beth-le-hem In - side a dark-ened room; But it was bright that ho-ly night, For He lit up the gloom, For He lit up the gloom, His chee - ry light chased out the gloom.

3. Je-sus, the Babe in Beth-le-hem Grew up to be the Light! Where sin had been, He comes right in And makes our hearts all bright, And makes our hearts all bright, And makes our hum - ble hearts all bright!
