1. What were we when mer - cy found us? Cap - tives un - to death and sin;
2. What are we since mer - cy found us? Blame-less, spot - less in His sight;
3. What we shall be? That's a sto - ry Ne - ver ut - tered, or ex - pressed;

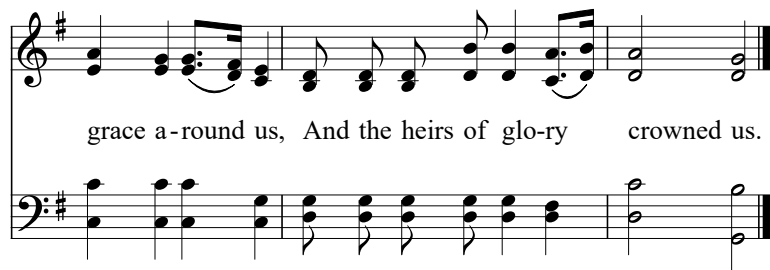

Clouds and dark - ness closed a - round us, All was hope-less night with - in.
Sons and saints His Word has crowned us, Called to walk with Him in light.
We shall see Him in His glo - ry, And be fold - ed to His breast.
